Description

meeting preparation

1. Write a list of completed items (physically check each PBI's related tasks)

- Riad uses an excel spreadsheet that was populated during the prior sprint planning
- Share material tasks that were worked on, whether visual or conceptual. This is to benefit the knowledge base of the team; an educational opportunity to share.

prep checklist

0%

- ☐ Current sprint: update statuses of Tasks and Features
- ☐ future and past sprints [backlog view]: update statuses of Tasks and Features
- ☐ SWAN: talk to any relevant coworkers on listed tasks of your outstanding Features
- ☐ anything material worth reporting to Cheryl, Rafi, and Joe Lee?
- ☐ prepare demo of any reports

any questions?

0%

sharables

0%

- ☐ prepare demos of any relevant reports
