# **□** Quarter 0 Sprint 0 planning A

in list **ARCHIVE FOR LINKED CARDS** 

Labels Notifications

Tip + ⊚ Watch

#### Description

#### Example

updates: I have moved campus dashboard detail for baptism to Sprint 68 because it is the next priority after this sprint

- •
- Repeated features that are used sprint over sprint (e.g. weekly reporting, general support) will be recreated during a new quarter
- we prioritize based on what provides more value

### 

0%

help teammates prepare for process

look at total backlog to plan priority of future PBIs for Sprint Planning A.
